

GOOD FRIENDS. LEGENDARY SERVICE. LUXURIOUS HOUSEBOATS.

CAPTAIN'S ARRIVAL CHECKLIST

Reservation Name: _____

Assigned Registration Time: _____

Boat Assigned: _____

Date: _____

Please proceed towards the office building for Registration!

Registration Procedure

What to Expect... the registration process is designed to collect all proper documentation... What to Bring: Captains are required to provide the following items –

- Credit Card for Damage Deposit
- Driver's License (or any valid government issued photo I.D.)
- Completed Crew List
- A Positive Attitude

Following your registration, captains may be collected for their orientation on board one of our houseboats. Captains may be assigned to an orientation immediately following their registration.

If NOT... One of our knowledgeable dock staff will contact the captains over the PA system or using a captain's phone number provided in the office.

Captains will be assigned a specific time and the boat name that will be used for the orientation.

Captains Orientation

What to expect: The captain's orientations are designed to teach guests about the operation of their houseboat. This includes the operation of various systems throughout the houseboat that will help you make the most of your trip!

Just remember... it's not rocket science! Our knowledgeable crew is here to help you!

What to bring: The Captain and Co- Captain are required to bring the following items –

- This Arrival Checklist
- A Positive Attitude
- A Willingness to Learn

After the Orientation

Waiting for the boat to be assigned

-- if you haven't been assigned a houseboat yet at this point, our staff in the office will call you as soon as we have one prepared for you!

Please keep in mind that busy sailing days may result in longer wait times for your boat. We encourage you to go out and enjoy some of the many things offered by Sicamous!

Check out our activities sheet to see some of the best places to stop, shop, or hangout before loading your houseboat!
